In addition, these soft skills also build up impressive communication skills.

# ELIGIBILITY CRITERIA

ACCA or ICEAW  
Finalist

Must be an ACCA  
Affiliate or Pass  
at least 11 exams

# Fee Structure

## Scholarship

There are certain terms & conditions for signing up for our online practical accounting training. The fee structure is categorised into two forms for Pakistani students.

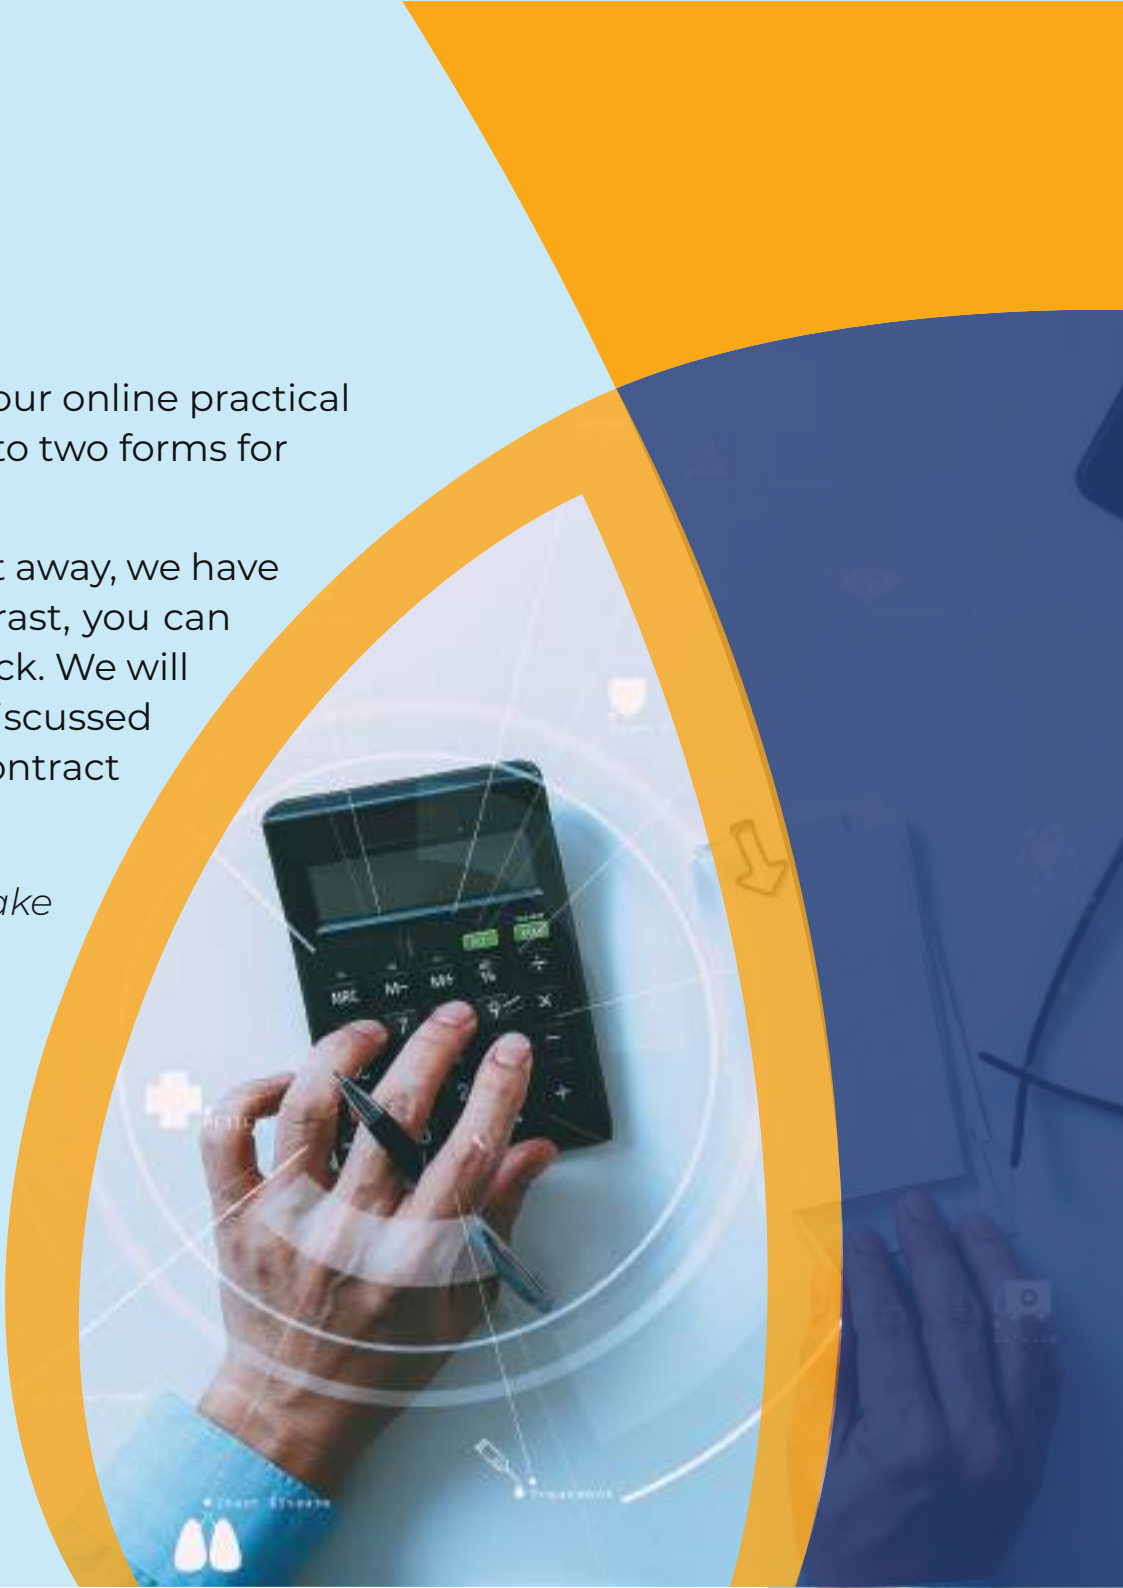

**First:** If the student can't pay the fee for the course right away, we have a plan for you. You don't need to pay instantly; in contrast, you can subsequently pay the instalment from your job paycheck. We will automatically deduct the designated amount, as discussed earlier. Moreover, you will also sign the contract correspondingly. For more queries, contact us.

*EndNote: In case of breaching the contract, we will take legal action.*

## Self Finance

The other program is the self-finance program. If you can pay the payment right away, you are free to walk away after the module completion.

*No longterm binding contract!*

## Our Partner Company

Star Sterling Outsource offers outsourcing accounting services to firms & businesses in the UK. Our highly experienced team provides affordable accounting services with end-to-end data protection. Our bespoke packages are designed to cater to the different needs of our clients, whether they are small or medium-sized businesses or accounting firms.

After successfully completing our courses, we provide guaranteed job placement at Star Sterling Outsource.

*Our practical training will ensure 100% job placement!*
